

## OTHM Level 4 Internal Quality Assurance of Assessment Processes and Practice Award / Certificate

Qualification Number: 603/5203/6 - 603/5202/4

### Overview

The objective of the Level 4 Internal Quality Assurance of Assessment Processes and Practice qualifications are to develop learners' understanding of theory and practice relating to their quality assurance role in education. It will provide knowledge that underpins the ability to work as an effective quality assurance practitioner. The units combine both theoretical and practical knowledge in the education profession and will develop and enhance knowledge and skills in the areas of effective performance, planning and accountability and development.

Successful completion of these qualifications will enable learners to gain an internal quality assurance role or to develop within that role, and to lead a team of the internal quality assurance practitioners. Learners will also be able to work in a variety of other roles within education administration and/or management.
