COURSE OVERVIEW

This QAA-recognised Access to Higher Education Diploma in Engineering Science is a Level 3 qualification for adults aiming for a university place in mechanical, electrical, civil, aerospace or general engineering without A-Levels. Studied entirely online with no exams, it carries 60 credits and builds the mathematics, mechanical and electrical principles, materials, physics and design skills an engineering degree demands, finishing with an applied engineering project. A subject-specialist tutor supports you throughout and you finish with a nationally recognised qualification accepted by UK universities.
