

NCFE CACHE Level 2 Diploma in Care

Qualification Number: 603/2611/6

LEVEL	DURATION	CREDITS	STUDY MODE	AWARDING BODY
Level 2	9-12 Months	46 Credits	Online / Distance	NCFE CACHE

COURSE OVERVIEW

A full competence-based qualification for people already working in a care role who want to prove their ability and move their career forward. Alongside the core values of care, you cover practical skills such as medication support, moving and positioning, dementia awareness, end-of-life care and infection control. It confirms you can do the job to national standards.

QUALIFICATION UNITS

- Communication in care settings
- Handle information in care settings
- Personal development in care settings
- Implement person-centred approaches
- Equality and inclusion in care settings
- Health, safety and well-being in care settings
- Responsibilities of a care worker
- Duty of care
- Safeguarding and protection in care settings
- Principles of infection prevention and control
- Assist in the administration of medication
- Dementia awareness
- Support individuals at the end of life
- Move and position individuals
- Support nutritional and hydration needs

ENTRY REQUIREMENTS

- Aged 16 or over (18+ recommended)
- Working or volunteering in a care setting
- Reasonable standard of English
- Internet access for online study

PROGRESSION

- NCFE CACHE Level 3 Diploma in Adult Care
- Senior care worker or key worker
- Specialist roles in dementia or end-of-life care
- Healthcare assistant in the NHS

ASSESSMENT & CERTIFICATION

Assessed by a portfolio of assignments plus workplace evidence for the competence units, gathered in a real care setting. Internally assessed and externally quality assured by NCFE CACHE. Graded Achieved / Not Yet Achieved, with a pass required across all learning outcomes.
