COURSE OVERVIEW

This QAA-recognised Access to Higher Education Diploma in Computing is a Level 3 qualification for adults aiming for a university place in computer science, software engineering, cyber security or data-related degrees without A-Levels. Studied entirely online with no exams, it carries 60 credits and covers the foundations a computing degree is built on: programming, computer systems, networks, databases, web technologies and the mathematics behind them, with a practical development project. A subject-specialist tutor supports you throughout, and you finish with a nationally recognised qualification accepted by UK universities.
